Theme Day Information:

On each theme day, we ask (you) and your camper to put together outfits that will best portray the theme of the day. Most of these items can be found throughout your home or Mom and Dad's closet. By no means do we ask you to purchase items for these days. Let your camper be creative and express themselves.

Example:

Theme 1 Halloween, wear an old costume or something that you can put together that is not going to be too hot for camp. (it will most likely will be in the 80's)!

Snack:

We provide a nutritious snack/beverage each day to all of our campers. If your child is a finicky eater, pack an extra snack.

Our Trading Post is open during each unit's snack period. There are various snacks such as Sun Chips, animal crackers, pretzels, goldfish crackers and freezie pops are available for purchase. Prices for snacks are limited to under a \$1.00. Italian ices are \$1.75.

Camp T-shirts:

Each camper is given one Camp Mahackeno T-shirt per summer. Due to the single sessions the t-shirts will be given at logs on Tuesdays.
