HELPING US MEET COMMUNITY NEEDS

Contributors to the Annual Campaign, through December 31, 2015

To ensure access for all who want to participate in programs, camps, classes and activities, the Family YMCA, a charitable nonprofit organization with a 501(c) 3 tax status, provides financial assistance to individuals and families unable to afford membership or program fees. And we collaborate with social services organizations in the area to extend the benefits of Family YMCA membership and programming to all segments of the community.

Not all of our costs are covered by membership and program fees, so through our Annual Campaign we rely on the generosity of our members and supporters to help us to fulfill our obligations in the community. With the support of those listed below, our Family YMCA made the following impacts on lives in 2015:

Family YMCA Members Who Received Financial Assistance or Scholarship Aid in 2015	925
Direct Financial Assistance and Subsidies	\$213,000

ANNUAL CAMPAIGN FOR GIVING

Our donors make it possible for children, families and adults of all ages to have access to Y programs that are vital not only to them but to our Community. The Annual Campaign allows the Y to open our doors to members regardless of their ability to pay. Please consider supporting the Y cause with your personal gift during the next YMCA Annual Campaign.

Every effort has been made to ensure the accuracy of our lists. If your name has been misspelled, listed incorrectly or omitted, please accept our apologies and contact Susie Haydon at 203 226-8981 or shaydon@westparty.org so we can correct our records. Thank you again!
