BUILDING CONFIDENT SWIMMERS

71% OF THE WORLD IS WATER & CHILDREN ARE 100% CURIOUS

Teaching children how to be safe around water is not a luxury; it is a necessity. It is our mission to build more confident swimmers and instill the importance of water safety in all as an essential life skill.

Summer swim instruction is offered as 1-week or 4-week lessons. This program is designed to teach safety, confidence and strength in the water in a supportive and nurturing environment. The program is organized into 3 main age categories and each student will be assigned a stage based on their skill level.

Beyond youth lessons, The Westport Weston Family YMCA offers adult swim lessons, private lessons, masters clinics and competitive swimming programs.
