## Orthopedic Injuries:

How they are treated and when to seek Urgent Care

Presented by: **Dr. Joshua Frank, M.D.,**  
Sports Medicine Specialist | Shoulder, Elbow & Knee  
Surgeon

**Thursday, November 15, 2018**

**7:00 pm, Schine Meeting Room**

Orthopedic complaints are among the most common reasons people give for seeking medical care. One in seven Americans has an orthopedic impairment and over seven million required hospitalization for orthopedic conditions. Orthopedic injuries can occur at any time and may require treatment immediately, even when they occur outside of normal business hours.

Dr. Joshua Frank, M.D., Sports Medicine Specialist, Shoulder, Elbow, and Knee Surgeon from OrthoConnecticut Coastal Orthopedics will be at the Westport Weston Family YMCA speaking about orthopedic injuries and when to seek urgent care.

This presentation is free of charge and open to the public.
