

Westport Weston Family YMCA's Race 4 Chase Program

About The Westport Weston Family YMCA's Race 4 Chase Youth Triathlon Program

The Race 4 Chase program is a 6-week youth triathlon program focused on providing kids ages 6 through 12 with a safe, healthy, non-competitive environment to discover the sport of triathlon. It brings together kids from all different backgrounds and educates them on how to adopt a healthy lifestyle, coaches them to develop a foundation of athletic skills, and inspires them to aim high in sports and in life.

Through our collaboration with the Greater Waterbury YMCA and the Chase Michael Anthony Kowalski Foundation, the Westport Weston Family YMCA is proud to have been selected to offer this wonderful program in 2016, 2017, 2018 and again in 2019 to honor the life of Chase Michael Anthony Kowalski. Chase was a first-grader who lost his life at the Sandy Hook tragedy of 2012 and loved the sport of triathlon, winning the first youth triathlon he ever attempted.

The Westport Weston Family YMCA Race 4 Chase Team practices daily at the YMCA from 8:30-12:00 using the indoor pool and Camp Mahackeno space to strengthen their skills in swimming, biking, and running. Participants will also enjoy games to strengthen them as a team and learn about nutrition and taking care of our bodies. This program is offered at no cost to participants.
