Failure to inform the camp of these situations at the time of registration will affect their participation and experience at camp.

CAMPERS CODE OF CONDUCT

The Westport Weston Family YMCA promotes character development. Campers and Parents are expected to abide by the Camp Mahackeno rules and policies. Guardian signature on the registration form acknowledges the agreement to follow these policies.

- Show respect to other campers, staff and property at all times. Swearing, fighting and/or disrespectful behaviors are not permitted.
- Be accepting of others to join in any activity.
- Listening to instruction from camp staff.
- Be a good sport whether you win or lose and stand up for the rights and wellbeing of others.
- Leave items such as electronics, sports equipment, pets and other things of value at home. The Westport Weston Family YMCA will not be responsible for lost or stolen valuables.
- Do not bring or use non prescribed drugs, alcohol, tobacco products or weapons to camp. These are strictly forbidden at all times. Violation is cause for immediate dismissal from any Family YMCA program.

BEHAVIOR MANAGEMENT POLICY

Staff will work with children to correct behavior problems. This may include talking about the behavior, mediating conflicts between campers, giving time outs or limiting camp activities that the child may participate in. If behavior continues, the punishments may increase to suspension from camp or termination of their time at camp. Camp staff will contact parents to let them know if bad behavior is progression to a point where suspension may be warranted.

There are some behaviors that may lead to a child being suspended or expelled from camp without notice. These can include behaviors such as hitting, fighting, running away from the group or showing extreme disrespect to other campers, staff, camp property or to themselves. If we do call home to have a child picked up, we do require that it happen as soon as possible. A delayed pick up may result in suspension from the next day.

Camper's attendance will be terminated if a camper engages in vandalism, theft, or unnecessary roughness, uses obscene or threatening language, or acts in an abusive or intimidating manner to other campers or staff including cyber-bullying. Staff are responsible for enforcing the Camper Code of Conduct. Refunds are not given for suspension or termination.

COMMUNICATIONS WITH CAMP

We realize that parents will have lots of questions about camp and we want to do our best to have good communication with you. If you have questions or concerns about camp, please let us know. Phone 203-226-8981 for Hafaday or (203) 226-2565 for Mahackeno or email us at Mahackeo@westportymca.org. We will try to respond to you as soon as the camp day allows. Camp will also be sending out email newsletters, so please be sure camp has your correct email address so you can be included in these emails.

If you send a note into camp, please be sure to include your child's name and group number, the date of the note and clearly explain what you need so that we can be sure to respond correctly.

CAMP STAFF

Many of our camp staff have grown up at camp and are enthusiastic about sharing our traditions. Camp staff are selected because of their experience working with children and the skills and interests they can share with our camp community. Throughout the summer your child may find a staff member that they enjoy a great deal. We are happy that these relationships are built, but we do not allow our staff to babysit for families they meet at camp. Please respect that camp staff are asked not to have private communications with campers and parents outside of camp. This includes emailing, texting and Facebook.

CAMP EVALUATIONS

Each session you will receive a camp evaluation. This tool allows us to see how we are doing. It is a chance for you to tell us what we are doing well and how we can improve. Please take the time to complete these evaluations when they come to you.

RELEASE OF CAMPERS

Anyone picking up the child must have their photo ID on them and must be on the pick up authorization form. Please be patient during the pick up process. When everyone works together we will keep the line moving and our campers safe.

ARRIVING LATE/LEAVING EARLY

Please make every attempt to have your child to camp on time and to schedule pick up at the normal time. A late arrival or early pick up will likely result in your child not being able to participate in an activity. For example, if you are picking up or dropping off during swimming, your child will likely not get to participate.

Please contact the camp in the morning if you are picking up early. Please request to have your child 15 minutes prior to when you must be leaving camp. This gives us time to collect their things and have them ready for you. Also, please be patient if your child is running behind. Early pick ups can be disruptive to the camp schedule and sometimes we can't meet the desired time for a variety of reasons. If you are dropping off late, please call the camp and let us know when you plan to arrive. Parents may not walk around camp unaccompanied.

LATE PICK UP

There is fee for arriving late to pick up your camper: \$25 for each 15-minute increment. Emergency contacts will be called after 15 minutes. Per State licensing regulations, if no one is available for pick up the Westport Police Department will be contacted.

HEALTH AND MEDICATION POLICY

Each camper must provide a copy of a current physical that is no more than 2 years old at the time they register. Registrations will not be completed until health forms are submitted. We do accept a copy of the school health form, but also require parents to complete the parent side of the camp physical as well. Children may not attend Camp without this form being submitted.

Minor injuries or illnesses will be treated at camp and may not warrant a phone call home. The Westport Weston Family YMCA reserves the right to temporarily deny any child admittance to the program for reasons of obvious illness, or to request early departure should symptoms becomes apparent during the course of the day. When a child becomes ill during the day, we will allow him/her to rest quietly, away from the other children. If parents are contacted to pick up a child, we ask that they make arrangements immediately. If families cannot be reached or are unable to pick up their child, the listed emergency contacts will be called. Children diagnosed as having a contagious disease must remain at home until all danger of contagion has passed. The Family YMCA will not administer medications (Tylenol, Benadryl or prescription). The parent/guardian must administer all medication.

If your child requires emergency medication (Benadryl, epi pen, inhaler or Auvi-Q), you must provide the camp with a completed Medication Authorization form that is signed by the physician. We require a form for each type of medication coming into camp. All medications must the correct dosage amount and delivery method (pill vs. liquid) listed on the form, may not be expired and must come in the original container with the pharmacy label. No medication will be accepted without the authorization form.

EMERGENCY POLICY

In the event of an emergency, the camp staff will decide how to best treat the child or respond to the situation. Our response to the emergency will be the priority for our staff. We will contact parents at the first possible moment as long as it doesn't interfere with treatment of the child or emergency.

If family cannot be reached, we are authorized by your signature on the health form to secure appropriate medical attention from your child's physician or our consulting pediatrician. Treatment may also be provided by Westport EMS. Should your child's condition warrant further action, we will utilize 911; an ambulance will transport your child to the nearest hospital (Norwalk Hospital). In the event of a medical emergency, our staff may call 911 prior to your arrival. That decision will be made by our staff and transporting your child to the hospital will be decided by the staff and paramedics.

SPECIAL MEDICAL/ BEHAVIORAL NEEDS AT CAMP

If your campers has special medical needs it is important that you communicate that to the camp so that everyone is prepared and we can come up with a plan to accommodate that child. Camp staff will try to work with the parents to come up with an appropriate plan. In extreme cases, the camp may decide that we cannot properly and safely accommodate the child. This decision would be made based on medical needs outside of basic medication administration (diabetes management, ADD/ADHD management, epi-pen or inhaler), behavioral situations that put the child, other campers or staff at risk of injury or other needs that are outside of our ability to safely care for the child while also creating a safe environment for other campers. Please contact the camp director to discuss any concerns you may have.

SPECIAL CARES PROGRAM

YMCA Camp Mahackeno offers our Special Cares program to children who require a 1:1 aide for camp. The counselors who serve as a 1:1 aide will assist children in navigating the camp day. Counselors will help with transitions, changing, participating in activities and making their way around the facility. The aides that we provide are typical camp staff and are not trained professionals in the special needs field. Please contact the Camp Director, Meg George, to talk about whether or not Mahackeno is a good fit for your child.

LOST & FOUND

Lost & found is unavoidable at camp. Please be sure to label all items with your child's first initial and last name so we can try to return things if found. Please do not send items to camp if it would be a problem if they were lost as we cannot guarantee that items will be returned. We suggest working with the younger campers on how to put their belongings in their bags when changing. Lost & Found for Mahackeno is kept in our pool lobby and Hafaday lost and found is in the camp office.

CAMP BRAIN REGISTRATION SITE

Families who are registered for camp are able to access their registration and billing information on our camp registration site, <http://westporty.campbrainregistration.com>. Parents are able to register their children online, make payments and edit contact information. Please note that camp registration is done online at our CampBrain site and not on the normal YMCA registration portal of Daxko. You will need to create a new account.

CAMP IS FOR EVERYONE

Camp Mahackeno & Hafaday is part of the Westport Weston Family YMCA. Each year the YMCA raises funds through our Annual Campaign to help families in need participate in all the things the YMCA has to offer, including sending children to camp. If you know a family who you think could benefit from camp but may not be able to afford it, please feel free to contact us. Also, if you would like to help others experience camp, please contact us to contribute to this campaign. To donate, please contact Jesse Kanaple at jkanaple@westporty.org.

Siblings of Rangers must be picked up at the normal time. If your child is using a camp bus for a field trip, please remind them to follow the camp bus rules including to stay seated at all times and to listen to the staff. Bus drivers are YMCA employees. We will also have a second staff member on the bus at all times.

RAINY DAYS

The Mahackeno Outdoor Center is a traditional outdoor day camp; indoor facilities are limited. In the event of rainy days, the schedules and activities for all campers are modified to include indoor games, craft projects, talent shows and skits. We ask that you pack a jacket with your camper on days when rain is expected. We make every effort to keep to our regular schedule and only go to the Dew Day schedule in case of severe weather. Campers will only be moved to the Bedford Family Center in the instance of extreme weather.

CAMPER DROP OFF

All campers must be dropped off at the Allen Raymond Lane entrance to our Mahackeno campus between 8:30 am and 9:00am. Please follow signage to the drop-off area, which is in the southeast corner of the parking lot at the camp access by the "Welcome" sign. Camp Morning Assembly begins at 9:00 am sharp.

During drop off, there will be a line of cars. Please be patient and remain in line for the safety of the children. Camp staff will direct you to pull your car up and will come to your car to help children out. If you have a question for a staff member or director, please park your car and walk up to drop off. Once we begin emptying cars there is no time for conversations in the drop off line.

CAMPER PICK UP

NOTE: OUR CAMP HAS TWO DISMISSAL TIMES, 3:15 AND 3:45 PM:

All Abenacki, Shawnee and Mohegan campers are dismissed at 3:15 pm. Any camper who has a sibling in an older camp unit will be with staff while they wait for the 3:45 pm dismissal. Younger siblings waiting for their older siblings will be supervised until pick up.

All Lakota, Cayuga, Apache, Rangers, LITs and CITs are dismissed at 3:45pm. If your camper is not dismissed until 3:45 pm, please do not arrive at Mahackeno early. All Hafaday campers will be dropped off and picked up in front of the YMCA in the circle driveway. Parents must stay in their car during drop off and pick up. If you need to speak to a staff member, we ask that you park in the main lot and walk in. This will help us keep the drop off and pick up lines moving. Please have your child's bags easily accessible for a staff member to retrieve them when taking your child out of the car. Please have all pets secured in the car so they don't get out while we are helping your child in or out of the car.
