

## **WESTPORT WESTON FAMILY YMCA DANCE CENTER ATTENDANCE POLICY**

In order to develop skills and routines in time for competitions, events and shows, we ask that the dancers are prepared to attend class and arrive on time each week. We of course understand that illness, injury and logistics may occasionally keep your dancer from being at class. If your dancer must miss a class, we ask that you email dance center director, Lillian Cenatiempo at [lcenatiempo@westportny.org](mailto:lcenatiempo@westportny.org). It is important to note that if a student's absence is due to illness or injury- especially if it is for multiple days – a doctor's note may be required.

We try to accommodate our dancer's other, non-dance activities. It is important to remember, however that your dancer is committing to a class and/or a team. In the interest of our competition teams especially, we ask that your dancer fully commits to the rehearsal and competition schedules upon signing up. Inability to communicate to the director about schedules and potential missed classes can result in dismissal from the group.
