OPPORTUNITY FOR ALL

As an inclusive organization we welcome all who want to belong or participate in programs at our Y. We provide financial assistance to individuals and families in need regardless of their ability to pay.

Not all of our costs are covered by membership and program fees, so we rely on the generosity of our members, donors and supporters to help us to fulfill our charitable mission in the community as a 501(c)(3) charitable organization.

Financial assistance applications are available online or can be requested at the Membership Desk.

PARENT*/CHILD

STAGE A: WATER DISCOVERY | 6-17 MO.

STAGE B: WATER EXPLORATION | 18-36 MO.

Parent is guided by instructor to learn swim cues to assist their child in learning basic beginner skills.

Child is comfortable in the water with parent and learning swim cues from the instructor.

*We define parent broadly to include all adults with primary responsibility for raising children, including biological parents, adoptive parents, guardians, stepparents, caregivers, grandparents, or other.

PRESCHOOL

STAGE 1: WATER ACCLIMATION AGES 3-5

Children with little to no experience. Will not go under water voluntarily.

STAGE 2: WATER MOVEMENT AGES 3-5

Child who is comfortable in the water. Cannot float on front or back on their own.

STAGE 3: WATER STAMINA AGES 3-5

Child starting to swim 2-3 paddle strokes. Will work on swimming 10 yards on front and back.

STAGE 4: STROKE INTRO AGES 3-5

Can swim 10-15 yards of front crawl and backstroke.

SCHOOL AGE

STAGE 1 & 2: WATER MOVEMENT AGES 6-12

For children with little to no experience. Increases comfort with underwater exploration and introduces basic self-rescue skills performed with assistance. Focus on body positioning and control directional change and forward movement.

STAGE 3: WATER STAMINA AGES 6-12

Students will learn how to swim to safety form a longer distance. Rhythmic breathing and integrated arm and leg action. Will need to be able to paddle stroke on front 20 yds, and kick on back for 20 yds.

STAGE 4: STROKE INTRODUCTION AGES 6-12

Students will develop stroke technique in front crawl and back crawl, and learn breaststroke kick and butterfly kick. Water safety is enforced through treading water and elementary backstroke.

STAGE 5: STROKE DEVELOPMENT AGES 6-12

Students will work on stroke techniques and learn all major competitive strokes. The emphasis on water safety continues through treading and sidestroke.

STAGE 6: STROKE MECHANICS AGES 6-12

Students will refine stroke technique on all major strokes, learn about competitive swim, and discover how to incorporate swimming into a healthy lifestyle.

WWFY COMPETITIVE GYMNASTICS TEAM

Our premier competitive gymnastics team at the Westport Weston Family YMCA trains gymnasts from Levels 2-9 to compete in regional and national YMCA and USAG meets. With a season running from September through June and meets from January onward, we foster a year-round commitment to skill development, strength, and team spirit. Our dedicated coaching team supports each athlete's growth and competitive journey, helping them achieve their best in a positive, motivating environment.

ADAPTIVE SWIM

At the YMCA, we prioritize developing confident swimmers and believe swimming is a life skill everyone should have access to.

The goal of adaptive swim lessons are to increase comfort with water exploration, introduce basic self-rescue skills performed with assistance and begin the fundamentals of swimming through directional change and forward movement.

The 2:1 child to swim instructor ratio helps the instructor provide a more flexible instructional style to best meet the needs of each individual.

Thanks to the kindness of our donors, we're able to offer financial assistance to families and children who want to participate in our swim classes and other Y programs.

ADAPTIVE GYMNASTICS

Our Adaptive Gymnastics program is uniquely designed and geared to families with children ages 3-7 with differing abilities. Participants will strengthen both fine and gross motor skills through an array of sensory-inclusive activities, increase joint attention, learn self-regulation strategies, and improve decision-making. Our goal is for children to improve their confidence and abilities! Caregiver participation may be required.
