SECTION 1 | JOINING THE WWFY

Membership at the Westport Weston Family YMCA (WWFY) is for everyone, and we encourage individuals and families to take advantage of all we have to offer. Made up of over 12,500 members, donors, staff, and volunteers, we come together from every walk of life to strengthen our community in the name of healthy living, youth development, and social responsibility, as you'll discover exploring the programs and amenities within our 32-acre campus. As a mission-based nonprofit, the Y is centered on helping you feel healthier, happier, and more connected. We work to ensure that everyone, regardless of ability, age, cultural background, ethnicity, faith, gender, gender identity, ideology, income, national origin, race, or sexual orientation has the opportunity to reach their full potential with dignity. Our core values of caring, honesty, respect, and responsibility guide everything we do. Our 100-year history is steeped in dedication and compassion for those we serve and beyond. Together, for a better us.

As we continue to thrive, we have reached an exciting yet challenging milestone, the membership cap of 12,500 members as established by the Planning and Zoning Commission (resolution #08-057, amended), which has required us to make changes to membership operations and implement a membership waitlist. Given that the mission of our Y is to welcome and serve all who walk through our doors, we are sorry to disappoint potential new members who want to belong to our vibrant community with the waitlist process. Please be assured, we remain committed to providing you with the best experience and we will be diligent in managing the waitlist so that we can make as many of you a part of our Y family as quickly as is possible.

HOW TO JOIN

Prospective members, including those intending to join for the first time or former members intending to rejoin the WWFY, must (1) complete a request to join the waitlist, (2) will be placed on the waitlist (3) will be notified when an opening become available. Once a spot becomes available, prospective members will be provided 3 business days from the time of notification to confirm and activate their membership.

To join the waitlist, visit westporty.org/waitlist. For complete questions and details, please view our [Membership Waitlist FAQ](#).

FINANCIAL ASSISTANCE

The WWFY does not turn anyone away due to an inability to pay. Through the generosity of our donors, the WWFY is able to provide financial assistance, to the extent possible, to families and children who seek to participate in Y programs including Summer Camp, Child Care, Membership, Sports, and much more. In addition to gifts and donations, we collaborate with social services organizations in the area to extend the benefits of the WWFY membership and programming to all segments of the community.

To apply for financial assistance, request a Financial Assistance Application from our Membership staff at the welcome desk. You may also print or complete the [application online](#). If you are not a current, active WWFY member, you will need to join the membership waitlist as well. We will process your financial assistance application and notify you once a spot(s) become available. Applying for or receiving financial assistance does not affect your ability or timeline to join; the waitlist process is the same for everyone. Please note: In the instance you are receiving a no cost membership through financial assistance but do not visit the YMCA for any period longer than 6 months, the membership may be deactivated for non-usage. You will be notified about the non-usage clause and invited to reapply and rejoin the waitlist if you so choose.

The WWFY will provide notice via letter (mail and email) to inform members of any rate adjustments, at least 30 days prior to the effective date.

MEMBERSHIP PAYMENT OPTIONS

Members of the WWFY can choose to pay their membership fees via monthly draft or annual payment. A monthly draft is a convenient way to ensure your membership dues are always processed on time. WWFY members can set up their monthly draft as follows:

CREDIT CARDS

- Accepted credit cards: Mastercard, Visa, Discover, AMEX
- Members are responsible for notifying the WWFY if their account information changes, including expiration dates.

CHECKING ACCOUNT/STATEMENT SAVINGS

- Void check must be provided.
- Members are encouraged to monitor their monthly bank statements for discrepancies.

ANNUAL PAYMENTS

- Members who prefer to be billed annually will receive an invoice. All annual invoices will be provided at least 30 days prior to the membership expiration date. Payment is due on, or before, the expiration date.

MISCELLANEOUS

- All monthly draft charges are continuous until the member notifies the WWFY, in writing, to cancel said charges and has returned their membership cards.
- In the instance your monthly draft is returned for non-payment you will be notified via phone call and email. The WWFY will temporarily suspend a membership account after 1 month of non-payment and the membership will be terminated after 2-months if payment has not been received. Please note the initial join fee will apply if your membership is reinstated after 30 days from the time of termination.

SECTION 5 | CHANGES TO MEMBERSHIP

The WWFY wants to make it easy for you to request changes to your membership. Based on your needs, you can complete a [Membership Change Form](#) or join the [Waitlist](#) on our website to:

- Join the Y and/or waitlist
- Upgrade or downgrade your membership type
- Change your payment method
- Update your contact information/address/phone/email
- Place your membership on hold
- Cancel your membership

ADDING & REMOVING MEMBERS

Current members who want to upgrade to a higher level of membership and/or add additional individuals to their membership will need to (1) complete the necessary Waitlist Form online or in-person to add the person to their account, (2) the additional person will be placed on the waitlist, and (3) the account holder will be notified when a membership spot becomes available. Please note, adding new members to your account may transition you to a different membership category with an increased fee. Upon a new member's first visit to the WWFY, a membership card will be issued, and photo taken. Should you need to remove a member from your account, please complete the Membership Change Request and return the membership card(s) of the member(s) being deactivated to the Membership Desk.

MEMBERSHIP ON HOLD PROGRAM

The WWFY offers a Membership on Hold option for members who want to temporarily pause their monthly payment. The Membership on Hold Program works as follows:

- Members have the option to place their WWFY membership on hold for up to 3 calendar months per year for medical issues, travel, and seasonal stoppage of membership. Hold fees are 50% of the regular monthly membership rate for any non-medical related request, and \$20 per month for any medical-related hold request (a signed note from a medical doctor is required).
- Membership accounts may be placed on hold for up to three consecutive calendar months or three individual months per calendar year.
- A Membership Change Request form must be completed, signed, and returned to the Membership Desk, completed online, or emailed to the Membership Director with requested hold dates.
- WWFY members who place their membership account on hold will not be required to repay the Join Fee once the on-hold period is complete.
- WWFY members who place their membership on hold understand that their automatic monthly payment will restart once the on-hold period is completed.
- WWFY members understand that during the time their membership is on hold, usage and membership privileges are suspended.
- WWFY members will receive a reactivation reminder email within 10 days of hold period completion.

MEMBERSHIP REFUNDS

Join fees are non-refundable. Members are responsible for monitoring personal accounts to avoid unwanted transactions. Refunds of membership will be granted in the following instances:

- You have proof of written documentation for requesting termination of your membership and the WWFY did not cancel the account.
- For medical reasons with written documentation from your physician.
- If you submitted a request to have your membership placed on hold and have written documentation, and the WWFY did not place the account on hold.

RELOCATION

Membership to the WWFY is not transferable to other YMCA's. Should you relocate and would like to maintain your membership at another YMCA, you must cancel your membership with the WWFY and join at the new location. At your request, the WWFY will be happy to provide you with a 'Member in Good Standing' letter indicating your cancellation date with us. We recommend contacting the YMCA in the new location to inquire about their policies, join fees, and membership dues.

TERMINATION OF MEMBERSHIP

To terminate your membership account, you may complete a [Membership Change Request online](#), email our Membership Director (bmrazzi@westporty.org), or mail a written request to Westport Weston Family YMCA, Attention: Membership Director, 14 Allen Raymond Lane, Westport, CT, 06880.

Once your cancellation request is submitted, your membership termination will be processed within 3 business days and go into effect on the date prior to your next scheduled bill date (the last date that your most recent membership payment was paid through). We will confirm your termination end date via email upon completion of the request, and you may continue to use the Y until the scheduled termination date.

REJOINING THE WWFY

Any returning member may rejoin the WWFY after cancelling their membership unless the membership account was terminated or revoked by the WWFY for violation of the WWFY's Code of Conduct and policies. Should you decide to cancel your WWFY membership, and rejoin at a later time, you will have to join the waitlist. Your ability to rejoin the WWFY at a future date will depend on the number of prospective members ahead of you on the waitlist (i.e., individuals waiting to join or rejoin the WWFY). If you rejoin after 30 days and did not take advantage of the Membership on Hold Program, you will be subject to repayment of the Join Fee.

ACTIVITY REFUNDS

To help with the scheduling of staff and ensure that we maintain proper instructor/participant ratios, we have established policies limiting the conditions and time frames in which we can make changes to class rosters and/or provide refunds of activity fees. Policy exceptions documented in activity/class handbooks/flyers supersede the following.

CANCELLATIONS BY THE Y

- If the WWFY cancels a program or event prior to the program commencement or event date, a full refund will be issued. The WWFY reserves the right to cancel any program or event that fails to meet enrollment requirements.
- If the Y cancels a program class or classes, every effort will be made to offer a make-up for the cancelled date(s). If a make-up date cannot be scheduled for any cancelled date, a credit will be issued. If a make-up date is offered for the cancelled date, no credits will be issued. No refunds will be issued for those who cannot attend the make-up date.

PARTICIPANT WITHDRAWAL

- Withdrawal from programs, or special events, at least five business days prior to the program commencement date, will receive a full credit. The account credit is good for use up to one year from the credit date.
- After a program commences, pro-rated credits will be issued only for participant withdrawal due to medical reasons, verified in writing by a physician. Refund requests must be submitted no later than the last day of the session.
- Refund requests should be sent to the appropriate Program Director.
- All outstanding balances including WWFY charges and bank fees must be resolved before refunds are issued.

SECTION 6 | SUPERVISION

To help the WWFY provide a great experience for all our children, it is important that parents and guardians are aware of, and help to enforce, our supervision policies as well as membership requirements to ensure a secure and safe environment.

MONITORING MEMBERS ENTERING AND EXITING PROGRAMS

Standard procedures for monitoring consumers help organizations identify who is present in programming and allow employees and volunteers to document when and with whom consumers exit programming. Such procedures allow employees to quickly identify any participants who may be missing and decrease opportunities for participants to be left unsupervised.

WWFY Guidelines for monitoring participant entry/exit from facilities or programming include:

- Participants must check in with the front desk, or with the employee/volunteer they are meeting at the facility or program.
- Each Program Manager will have a procedure for signing members in and out of each program.
- When possible, the Program Director will ensure there is a single point of entry for the Program.
- If there is more than one entrance or exit, the Program Director will be responsible for ensuring the other points of entry are monitored.
- Program Directors or their designee will utilize headcounts or conduct attendance checks to ensure continuous awareness of which members are in programming.
- Each Program Director will be responsible for maintaining written or electronic documentation of attendance in programming.
- At the end of each program, the Program Director or Instructor is responsible for ensuring the child is picked up by the parent or their designee.

Please note: Kids Club Bathroom Procedures differ from other program area policies. Staff will first scan the bathroom before allowing children to enter to ensure the bathroom is vacant. Staff are not allowed to enter the bathroom while it is occupied by a child. If a child needs assistance and/or having difficulty while using the bathroom, parents/guardians/caregivers will be called. Staff are not permitted to change diapers.

SUPERVISING AND MONITORING BATHROOMS, SHOWER TIME, LOCKER ROOMS AND CHANGING AREAS

Bathrooms, shower time, locker rooms and changing areas require close monitoring as they are high risk locations.

BATHROOM PROCEDURES

- When supervising bathroom use, employees and volunteers should first scan the bathroom before allowing members (children) to enter to ensure the bathroom is vacant.
- Employees and volunteers to take groups of two or more children to the bathroom following the “rule of three”.
- If the bathroom only has one stall, only one child should enter the bathroom while the others wait outside with the employee or volunteer.
- If there are multiple stalls, only send in as many children as there are stalls for use.
- Minimize children of different ages using the bathroom at the same time.
- Employees are required to stand outside the bathroom in earshot.

SHOWER TIME PROCEDURES

- Only one child can be at a stall at a given time.
- If there are multiple stalls, only send in as many children as there are stalls.
- Ensure shower curtains do not extend to the floor so employees can glance at how many feet are in the shower stall.
- Employees and volunteers are required to stand outside the shower area but within earshot.
- When necessary to assist children, employees and volunteers should keep the door to the stall open.
- Children who require assistance with personal care activities must have this noted on their member file with the level of assistance included.

LOCKER ROOM AND CHANGING AREA PROCEDURES

- Employees and volunteers are required to remain within earshot of the locker room when in use by members.
- Employees must periodically check inside the locker room so members know it is being monitored.
- If any inappropriate behavior is observed or heard, employees must notify a supervisor or the manager on duty.
- Employees should discourage the use of locker rooms by members of different ages at the same time.

Personal trainers and coaches who are not employed by the WWFY, even if members, are prohibited from conducting training on WWFY property, including services provided in the Pool, Gymnasium, Wellness Center, Studios and Mahackeno Outdoor Center.

SECTION 8 | AQUATICS SAFETY

At the WWFY, safe aquatic programming and exercise is a top priority. With two indoor pools and an outdoor pool at our Mahackeno Outdoor Center, as well as the Saugatuck River and Lees Pond bordering our campus, ensuring your safety is critical.

AGE REQUIREMENTS & SWIM TESTING

To protect and ensure the safety of all our members, we require testing procedures for the use of our pools for all swimmers ages 14 and under with our TEST, MARK, PROTECT Program. Upon completion of the swim test, each child will receive a colored band, Red-Beginner; Yellow-Intermediate; Green-Advanced, allowing lifeguards the ability to easily identify where each child belongs in the pools.

LIFEGUARDS AND AQUATIC SAFETY

All WWFY lifeguards are certified and trained through Y-USA, American Red Cross, and local Health Department guidelines. Our lifeguards and Aquatic Management Staff are well trained to prevent and respond to any aquatic emergency, and to provide appropriate care if necessary. To ensure Aquatic Safety, all WWFY staff are empowered to enforce all rules and policies accordingly.

POOL WATER QUALITY

Help keep our pools healthy, clean, and safe. When chlorine mixes with oil, sweat, or urine it can create dangerous chemicals. Before entering any WWFY pool, please rinse off in the shower and use the bathroom.

OBSERVATION GALLERY

- Coaching the swimmer from the Observation Gallery is not permitted.
- Hanging over the glass wall is dangerous and prohibited.
- Upon completion of child's Lap Swim, parents/guardians must leave the Observation Gallery and proceed to exit the facility without congregating in the hallways or lobby. Please have the child meet you outside the building.

SECTION 10 | PROTECTING OUR YOUTH

WWFY'S COMMITMENT IN MAINTAINING ONGOING AWARENESS OF ABUSE RISK AND PREVENTION AMONGST MEMBERS

The WWFY also recognizes that members can contribute to their own safety if they know what is acceptable and what to expect from employees and volunteers and other members. Considerable research shows that repetition and reinforcement work to heighten awareness of abuse risk and prevention. Our organization uses a variety of methods for maintaining ongoing awareness of abuse risk and prevention amongst members such as:

- Publishing quarterly information on abuse risk and prevention in our email newsletters
- Participating annually in "Five Days of Action" which brings awareness to [Child Abuse Prevention & related Educational Resources](#)
- WWFY Safety Committee – This team monitors incidents of abuse quarterly and make corrective actions as needed
- Conducting regular staff performance evaluations that incorporate the practice of abuse prevention policies and procedures
- Providing educational training opportunities for staff and parents
- WWFY Online Resource Center, where all WWFY policies are published for members to view
- Updating the Member Handbook as needed with education or revised policy information
- External resources:
 - Connecticut Department of Children and Families: (800) 842-2288
 - Praesidium: (800) 822-9622

GRIEVANCE POLICY FOR PARENTS/GUARDIANS AND MEMBERS

The WWFY believes members and parents/guardians have valuable thoughts and insights to share regarding our operations. Accordingly, the WWFY encourages members and parents/guardians to share opinions, suggestions, concerns, questions and/or grievances about our policies, personnel, and/or other matters impacting the WWFY.

In general, the best person initially to bring opinions, suggestions, concerns, and/or questions to the Program's Director. However, to the extent the concerns relate to the Program's Director or to the extent a member or parent/guardian believes the Program's Director did not fully address a matter, members and parents/guardians may direct their opinions, suggestions, concerns, and/or questions to the next level of management or directly to the Chief Operating Officer ("COO") to remedy concerns that appear to have been ignored or unresolved after initial reporting, utilize this formal grievance procedure. This procedure provides for a timely, thorough, and objective investigation of the following concerns:

- Inappropriate Behavior by Employees/Volunteers
- Inappropriate Behavior by Members
- Retaliation
- Whistleblower complaints

WRITTEN COMPLAINT REQUIRED FOR FORMAL PROCESS

Verbal complaints are encouraged, particularly for issues that may be easily and expeditiously resolved, but a written complaint is required to initiate this grievance process. To ensure a timely and effective response, complaints should include the following information to the extent possible:

1. The name(s) of individual(s) involved.
2. The date(s) the behavior occurred.
3. The name(s) of any known witness(es);
4. A summary of the conduct meriting the grievance including:
 - a. The behavior complained of and/or the alleged policy or legal violation(s);
 - b. Direct quotes when relevant and available; and
 - c. Any relevant documentation.
5. The remedy sought by the employee making the complaint.

INVESTIGATION

The Program Director, the COO and/or the CEO will thoroughly investigate the issues raised in the grievance and will protect the privacy and confidentiality of all parties involved to the extent possible by law. All parties must cooperate with the investigation. If the WWFY determines a violation of policy or law has occurred, the WWFY will take appropriate action, up to and including termination and notification of external authorities.

RETALIATION

The WWFY strictly prohibits retaliation against members and/or parents/guardians for reporting, filing, testifying, assisting, or participating in any manner in any investigation, proceeding or hearing conducted by the organization or a federal or state law enforcement agency or court. Members and/or parents/guardians should report any suspected retaliation to the Program Director or the COO. Any report of retaliatory conduct will be objectively, timely and thoroughly investigated. If a retaliation report is valid, the organization will take appropriate remedial action, including discharging the individual(s) responsible. This organization will not retaliate against any member or parent/guardian for raising a complaint and will not knowingly permit retaliation by management or other employees.

WWFY CONTACT INFORMATION

To speak with a WWFY representative directly regarding your concern or grievance, please contact Christina Scherwin, COO, at 203-571-6044. If you wish to report a concern or grievance anonymously, please contact 866-607-7233.

The Connecticut Department of Children and Families is an additional resource available to all community members. If you have any concerns for a child's safety or to report abuse or neglect, they can be reached at 800-842-2288.

BABYSITTING POLICY

The WWFY values the safety of our children and the trust that their caregivers have in us. We value the role our staff plays in the lives of your children and family, and we cherish the relationships we build together. Our staff and volunteers aim to create an environment where our youth members and participants can safely learn, grow, and play. WWFY staff, however, are not permitted to babysit for members or participants. Please do not approach staff asking them to babysit your family as this will cause dismissal of employment for violation of the policy. Members and employees who have a preexisting relationship may request a waiver allowing the employee to continue babysitting.
