OPPORTUNITY FOR ALL

As an inclusive organization we welcome all who want to belong or participate in programs at our Y. We provide financial assistance to individuals and families in need regardless of their ability to pay.

Not all of our costs are covered by membership and program fees, so we rely on the generosity of our members, donors and supporters to help us to fulfill our charitable mission in the community as a 501(c)(3) charitable organization.

Financial assistance applications are available online or can be requested at the Membership Desk.

PARENT*/CHILD

STAGE A/B: WATER DISCOVERY | 6-36 MO.

STAGE B: WATER EXPLORATION | 18-36 MO.

Parent is guided by instructor to learn swim cues to assist their child in learning basic beginner skills.

Child is comfortable in the water with parent and learning swim cues from the instructor.

*We define parent broadly to include all adults with primary responsibility for raising children, including biological parents, adoptive parents, guardians, stepparents, caregivers, grandparents, or other.

PRESCHOOL

STAGE 1: WATER ACCLIMATION AGES 3-5

STAGE 2: WATER MOVEMENT AGES 3-5

STAGE 3: WATER STAMINA AGES 3-5

STAGE 4: STROKE INTRO AGES 3-5

Children with little to no experience. Will not go under water voluntarily.

Child who is comfortable in the water. Cannot float on front or back on their own.

Child starting to swim 2-3 paddle strokes. Will work on swimming 10 yards on front and back.

Can swim 10-15 yards of front crawl and backstroke.

SCHOOL AGE

STAGE 1 & 2: WATER MOVEMENT AGES 6-12

STAGE 3: WATER STAMINA AGES 6-12

STAGE 4: STROKE INTRODUCTION AGES 6-12

STAGE 5: STROKE DEVELOPMENT AGES 6-12

STAGE 6: STROKE MECHANICS AGES 6-12

For children with little to no experience. Increases comfort with underwater exploration and introduces basic self-rescue skills performed with assistance. Focus on body positioning and control directional change and forward movement.

Students will learn how to swim to safety form a longer distance. Rhythmic breathing and integrated arm and leg action. Will need to be able to paddle stroke on front 20 yds, and kick on back for 20 yds.

Students will develop stroke technique in front crawl and back crawl, and learn breaststroke kick and butterfly kick. Water safety is enforced through treading water and elementary backstroke.

Students will work on stroke techniques and learn all major competitive strokes. The emphasis on water safety continues through treading and sidestroke.

Students will refine stroke technique on all major strokes, learn about competitive swim, and discover how to incorporate swimming into a healthy lifestyle.

SYNCHRO FUNDAMENTALS

NEW!

Our Synchro Basics program is a great way for your child to stay active, build confidence, and learn new skills in the water.

Designed as an introduction to the fundamentals of synchronized swimming, this program focuses on developing endurance, coordination, and teamwork through fun water-based exercises and dry land workouts.

While it's not a full competitive synchronized swimming team, your child will gain a strong foundation in aquatic movement, rhythm, and body control—all in a supportive and encouraging environment.

Water Rat Swimming

AGES 6+ | YEAR ROUND

The Westport Weston Family YMCA is proud home to the Water Rat Swim Team, our nationally recognized competitive swim program and USA Swimming Club celebrating over 75 years of history.

The Water Rats train year-round and compete against Connecticut YMCA teams in dual swim meets state wide along with USA Swimming sanctioned meets at the regional, state and national levels. Our experienced and dedicated coaching staff are passionate about the personal development of each individual swimmer, in the water and out, having repeatedly trained swimmers into perennial state champions and beyond with Olympic medaling alumni.

CODE & GO WITH VEX 123

Young inventors explore the world of robotics using the VEX 123 robot! Students will continue learning how to give their robots clear, step-by-step instructions using special coding cards. They'll explore how to make their robots move, spin, and even dance — all while developing problem-solving and sequencing skills through fun games and creative challenges. We're excited to see their imaginations at work as they bring their robot creations to life!
