2027 SUMMER CAMP GUIDE

the YMCA

HAPPY MEMORIES, LASTING FRIENDSHIPS, OUTDOOR SUMMER FUN.

We have loads of fun at **Camp Mahackeno**, our traditional outdoor summer day camp, whether we're in morning circle, bouldering, canoeing, swimming, or competing in Mahackeno Olympics.

We splash around and learn to swim at **Camp Mini Mack**. We cartwheel, tumble, and twirl at **Gymnastics Camp**. We boogie, bop, and move to music at **Dance Camp**. You're going to like it here!

Our enthusiastic, caring camp staff are positive role models who work hard to make it the best camp experience ever. Staff go through rigorous training to ensure the safety and well-being of every camper.

At the Westport Weston Family YMCA (WWFY) we're proud that our summer campers create lasting friendships, learn important social skills, develop confidence and resilience, become independent, learn teamwork and sportsmanship, and make wonderful childhood memories. Won't you join us?

Camp Mahackeno offers our Special Cares program to campers who require a 1:1 aide for camp. This program is intended to benefit campers whose special needs would otherwise prevent them from enjoying the summer camp experience. Our mission is to create an inclusive, supportive, and safe environment where all campers can thrive, make friends, and have fun.
There are specific guidelines designed to ensure that as many special needs campers as possible are given access to the program and that the program is the right camp experience for your child.

The Camp Mahackeno Special Cares Program Handbook contains the full policies and procedures to guide parents through our inclusion philosophy, registration policies, supports, and expectations. Please make sure to read it in full.

GROWING TOGETHER

CITS AT CAMP MAHACKENO

COUNSELORS IN TRAINING (CITS)

Counselors in Training is a program designed for campers ages 13-15 who are ready to take the next step toward becoming junior counselors. CITs learn how to support counselors, work with younger campers, and develop hands-on skills for leading activities.

Our two-level CIT program is designed to be a transitional program, bridging experience of being camper and developing the skills to be a counselor. **CIT 1 (Rising 9th Grade)** introduces leadership through shadowing counselors, learning camp policies, and practicing teamwork. **CIT 2 (Rising 10th Grade)** builds on that foundation with more responsibility-assisting activities, mentoring younger campers, and gaining real experience as junior leaders.

A CIT's typical day will be a mix of age-appropriate camp activities, skill and team building activities, and assisting the counselors in camper oversight.

- Morning activities will focus on skill building and team-based activities as well as some CIT level camper activities.
- In the afternoon, CITs put their training into action by assisting counselors with games, activities, and camp events as they oversee younger campers.
- CIT's will also participate with the Unit Directors and the Specialists in planning and running the weekly Special Event as well as assisting with the camp opening assembly regularly on the Log's Stage.

Together, the program develops confidence, responsibility, and readiness for future employment and community leadership.

A brief application is required to complete your registration. **Click here to complete the application.**

Registration is by waitlist only.
